Pharmacy Directory

Introduction

This booklet provides a list of Blue Cross Medicare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Blue Cross Medicare Advantage's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means Blue Cross and Blue Shield of Montana. When it refers to "plan" or "our plan," it means Blue Cross Medicare Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Cross Medicare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/2017. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at getbluemt.com/mapd/pharmacies. You may also call Customer Service for updated provider information.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with **SAVE** to distinguish them from other pharmacies in our network that offer standard cost-sharing. Cost-sharing information can be found in the Summary of Benefits.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called PrimeMail by Walgreens Mail Service. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the State of Montana which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please see the section in this pharmacy directory Network Pharmacies outside the geographic area or contact Blue Cross Medicare Advantage Customer Service, at 1-877-774-8592 or, for TTY/TDD users, 711. We are open 8:00 a.m. - 8:00 p.m., local time, 7 days a week. If you are calling from February 15 through September 30, alternate technologies (for example, voicemail) will be used on weekends and holidays, or visit getbluemt.com/mapd/pharmacies.

This information is available for free in other languages. Please call our Customer Service number at 1-877-774-8592 (TTY/TDD users should call 711). We are open 8:00 a.m. - 8:00 p.m., local time, 7 days a week. If you are calling from February 15 through September 30, alternate technologies (for example, voicemail) will be used on the weekends and holidays.

Esta información está disponible en otros idiomas de forma gratuita. Comuníquese a nuestro número de Servicio al cliente al 1-877-774-8592 (los usuarios de TTY/TDD deben llamar al 711). Nuestro horario es de 8:00 a.m. a 8:00 p.m., hora local, los 7 días de la semana. Si usted llama del 15 de febrero al 30 de septiembre, durante los fines de semana y feriados, se usarán tecnologías alternas (por ejemplo, correo de voz).

We also list pharmacies that are in our network but are outside the State of Montana area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the State of Montana or contact Blue Cross Medicare Advantage Customer Service, at 1-877-774-8592 or, for TTY/TDD users, 711. We are open 8:00 a.m. - 8:00 p.m., local time, 7 days a week. If you are calling from February 15 through September 30, alternate technologies (for example, voicemail) will be used on weekends and holidays, or visit getbluemt.com/mapd/pharmacies.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Blue Cross Medicare Advantage.
