## Statements

1. You do not need more than one Medicare Supplement policy.
2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need more than one type of coverage in addition to your Medicare benefits.
3. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.
4. If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. Upon receipt of timely notice, the issuer must either return to the policyholder or certificate holder that portion of the premium attributable to the period of Medicaid eligibility or provide coverage to the end of the term for which premiums were paid, at the option of the insured, subject to adjustment for paid claims. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility.\*
5. If you are eligible for, and have enrolled in a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan.\*

Counseling services may be available in your state to provide advice concerning your purchase of a Medicare Supplement Insurance Plan and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB). For information on Medicaid eligibility, call your local Social Security office. For questions on Medicare Supplement Insurance Plans, call 1-800-MEDICARE (1-800-633-4227).

\* If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
