

Nurses available anytime you need them

24/7 NURSELINE

Health concerns don't always follow a 9-to-5 schedule.

Fortunately, registered nurses are on call to answer your health questions and give general health tips 24 hours a day, seven days a week.

When should you call?

The toll-free Nurseline can help you or a covered family member get answers to health problem questions, such as:

- Asthma or chronic health issues
- Dizziness or severe headaches
- High fever
- Cuts or burns
- Sore throat

Plus, when you call, you can access an audio library of more than 1,200 health topics — from allergies to women's health — with more than 600 topics available in Spanish.

Note: For medical emergencies, call 911 or your local emergency services first. This program is not a substitute for a doctor's care. Talk to your doctor about any health questions or concerns.

Call 877-213-2565 to get the information you need, just when you need it.

Health care coverage is important for everyone.

If you, or someone you are helping, have questions, you have the right to get help and information in your language at no cost. To talk to an interpreter, call 855-710-6984. We provide free communication aids and services for anyone with a disability or who needs language assistance.

We do not discriminate on the basis of race, color, national origin, sex, gender identity, age, sexual orientation, health status or disability. If you believe we have failed to provide a service, or think we have discriminated in another way, contact us to file a grievance.
