PROVIDERS OF CARE FOR MEMBERS

Covered Providers may be Participating Providers or nonparticipating providers.

Participating Providers

Participating Providers include those providers who or which have a contract with Blue Cross and Blue Shield of Montana and are listed in the current provider directory. The providers include Participating Blue Cross and Blue Shield of Montana Professional Providers and Participating Blue Cross and Blue Shield of Montana Facility Providers.

Nonparticipating Providers

A nonparticipating professional or facility provider does not have a contract with Blue Cross and Blue Shield of Montana.

The Member will be responsible for a greater portion of the cost for any covered services received from the nonparticipating provider than if the Member had received the same covered services from a Participating Provider.

How Providers are Paid by The Plan and Member Responsibility

Payment by The Plan for Benefits is based on the Allowable Fee and is impacted by the participation or nonparticipation of the provider in the Blue Cross and Blue Shield of Montana provider network.

A **Participating Provider** agrees to accept payment of the Allowable Fee from Blue Cross and Blue Shield of Montana for covered services, together with any Deductible and Coinsurance from the Member, as payment in full. Generally, The Plan will pay the Allowable Fee for a covered service directly to a Participating Provider. In any event, The Plan may, in its discretion, make payment to the Member, the provider, the Member and provider jointly, or any person, firm, or corporation who paid for the services on the Member's behalf.

Nonparticipating providers do not have to accept Blue Cross and Blue Shield of Montana payment as payment in full. Blue Cross and Blue Shield of Montana reimburses a nonparticipating provider for covered services according to the Allowable Fee. The nonparticipating provider can bill the Member for the difference between payment by Blue Cross and Blue Shield of Montana and provider charges plus Deductible and Coinsurance. The Member will be responsible for the balance of the nonparticipating provider's charges after payment by Blue Cross and Blue Shield of Montana and payment of any Deductibles and Coinsurance.

The Plan will not pay for any services, supplies, or medications which are not covered services, or for which a Benefit maximum has been met, regardless of whether provided by a Participating Provider or a nonparticipating provider. The Member will be responsible for such services, supplies, or medications.

Pretreatment Estimate of Benefits and Treatment Plan

If the Member's Dentist recommends a Course of Treatment that will cost more than \$300, the Dentist should prepare a claim form describing the planned treatment (called a "treatment plan"), copies of necessary x-rays, photographs and models and an estimate of the charges prior to beginning the Course of Treatment. The Plan will review the report and materials, taking into consideration any alternative adequate Course of Treatment, and will notify the Member and the Dentist of the estimated Benefits which will be provided under this Contract. This is not a guarantee of payment, but an estimate of the Benefits available for the proposed services to be rendered. The Plan's Pretreatment Estimates of Benefits are valid for 180 days, provided all eligibility and Contract requirements are met. If the approved procedure is not done within that time period, or if the patient's condition changes, the Member is responsible for asking the Dentist to submit another request and treatment plan, along with the required current documentation. A new Pretreatment Estimate of Benefits must then be issued by The Plan.

COMPLAINTS, GRIEVANCES AND APPEALS

Complaints and Grievances

If a Member is dissatisfied with any aspect of The Plan's service or the care received and would like to notify The Plan of a Complaint or Grievance, the Member or the Member's designated representative may notify The Plan by telephone, in person, in writing, by fax, or electronic mail. Written Complaints and/or Grievances will be acknowledged within 10 days of receipt. The Member will be notified within 60 days of the disposition of the Complaint or Grievance. The telephone number, fax number and mailing address of The Plan appear on the inside cover of this Member Guide.

Appeals Process

If a Member does not agree with the denial or partial denial of a claim, the Member has the right to Appeal that decision.

The Member has 180 days from the date of receipt of notice of The Plan's action on a claim to request an Appeal. To request an Appeal, the Member must write to The Plan at the address listed on the inside cover of this Member Guide. Written requests will be acknowledged within 10 days of receipt. The Member must state the issue to be reviewed and provide all pertinent information (i.e., provider records, letters, etc.). The Member may also request a description of any records that The Plan used to make its original decision. The decision on the review will be made in writing within 60 days of receipt of all relevant dental records. Once the review has been completed, the Member will be notified of the outcome.

EXCLUSIONS AND LIMITATIONS

All Benefits provided under this Member Guide are subject to the Exclusions and Limitations in this section and as stated under the Benefit section.

Important Information About the Member's Dental Benefits

1. Dental Procedures Which Are Not Medically Necessary

Please note that in order to provide dental care Benefits at a reasonable cost, this Member Guide provides Benefits only for those covered Dental Services and eligible dental treatment that are determined by The Plan to be Medically Necessary.

No Benefits will be provided for procedures which are not Medically Necessary. Medically Necessary generally means that a specific procedure provided to the Member is required for the treatment or management of a dental symptom or condition and that the procedure performed is the most efficient and economical procedure which can safely be provided to the Member, as determined by The Plan.

The fact that a Physician or Dentist may prescribe, order, recommend or approve a procedure does not of itself make such a procedure or supply Medically Necessary.

2. Care By More Than One Dentist

If the Member changes Dentists in the middle of a particular Course of Treatment, Benefits will be provided as if the Member had stayed with the same Dentist until treatment was completed. There will be no duplication of Benefits.

3. Non-Compliance with Prescribed Care

Any additional treatment and resulting liability which is caused by the lack of a Member's cooperation with the Dentist or from non-compliance with prescribed dental care will be the responsibility of the Member.

- b.** The employer has failed to obtain such coverage required by law.
- c.** The Member waives his or her rights to such coverage or benefits.

CLAIMS

How to Obtain Payment for Benefits

1. If a Member obtains benefits from a participating provider, the participating provider will submit claims to The Plan for the Member. If a Member obtains benefits from a nonparticipating provider, the Member may be required to submit all claims to The Plan. All claims for services must be submitted no later than 12 months after the date on which the services were received after the end of the Benefit Period in which Dental Services were provided. All claims must provide enough information about the services for The Plan to determine whether or not they are a Benefit. Submission of such information is required before payment will be made. In certain instances, Blue Cross and Blue Shield of Montana may require that additional documents or information including, but not limited to, accident reports, medical records, and information about other insurance coverage, claims, payments and settlements, be submitted within the timeframe requested for the additional documentation before payment will be made.

NOTE: The Member must submit all claims for Dental Services provided outside of the state of Montana.

2. Claims must be submitted to the address listed on the inside cover of this Member Guide.

GENERAL PROVISIONS

Modification of Member Guide

The Plan may make administrative changes or changes in dues, terms or Benefits in the Montana University System Student Insurance Plan by giving written notice to the Montana University System Student Insurance Plan at least 60 days in advance of the effective date of the changes. Dues may not be increased more than once during a 12-month period, except as allowed by Montana law.

No change in the Member Guide will be valid unless in writing and signed by the President of Blue Cross and Blue Shield of Montana. No other agent or representative or employee of The Plan may change any part of this Member Guide.

Clerical Errors

No clerical error on the part of The Plan shall operate to defeat any of the rights, privileges, or Benefits of any Member covered under this Member Guide. Upon discovery of errors or delays, an equitable adjustment of charges and Benefits will be made. Clerical errors shall not prevent administration of the Member Guide in strict accordance with its terms.

Notices Under Contract

Any notice required by the Contract may be given by United States mail, postage paid. Notice to the Beneficiary Member will be mailed to the address appearing on the records of The Plan. Notice to The Plan must be sent to Blue Cross and Blue Shield of Montana at the address listed on the inside cover of this Member Guide. Any time periods included in a notice shall be measured from the date the notice was mailed.

A Beneficiary Member or Family Member may reasonably request, in writing, that any communication of the Member's health information be sent to an alternate address or by alternative means should disclosure of any of the Member's health information endanger the Member.

Contract Not Transferable by the Member

No person, other than the Beneficiary Member listed on the subscriber application for membership and accepted by The Plan, is entitled to Benefits under the Contract. The Contract is not transferable to any other person.

Rescission of Member Guide

This Member Guide is subject to rescission if the Member commits an act, practice, or omission that constitutes fraud, or makes an intentional misrepresentation of a material fact, concerning a Member's health, claims history, or current receipt of health care services. Blue Cross and Blue Shield of Montana will provide at least 30 days advance written notice to the subscriber before coverage may be rescinded.

Validity of Contract

If any part, term, or provision of the Contract is held by the courts to be illegal or in conflict with or not in compliance with any applicable law of the state of Montana or the United States, the Contract shall not be rendered invalid but shall be construed and applied in accordance with such provisions as would have applied had the Contract been in conformance with applicable law and the validity of the remaining portions or provisions shall not be affected. The rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular part, term, or provision held to be invalid.

Waiver

The waiver by The Plan of any breach of any provision of this Member Guide will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure of The Plan to exercise any right hereunder will not operate as a waiver of such right. All rights and remedies provided herein are cumulative.

Payment by the Plan

Payment under the Contract is not assignable by the Member to any third party. Payment made by The Plan shall satisfy any further obligation of The Plan.

Conformity With State Statutes

The provisions of this Member Guide conform to the minimum requirements of Montana law and have control over any conflicting statutes of any state in which the insured resides on or after the Effective Date of this Member Guide.

Forms for Proof of Loss

The Plan shall furnish, upon request of a Member, forms for filing proof of loss. If forms are not furnished within 15 days after the Member provided notice of sickness or injury to The Plan, the Member is considered to have complied with the requirements of the Contract as to proof of loss upon submitting, with the time established in the Contract for filing proof of loss, written proof covering the occurrence, character and extent of the loss for which claim is made.

Proofs of Loss

Written proof of loss must be furnished to The Plan at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which The Plan is liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate or reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than 1 year from the time proof is otherwise required.

Legal Actions

No action at law or inequity shall be brought to recover on this Member Guide prior to the expiration of 60 days after written Proof of Loss has been furnished in accordance with the requirements of this Member Guide. No such action shall be brought after the expiration of three years after the written Proof of Loss is required to be furnished.

Time of Payment of Claims

Indemnities payable under this Member Guide for any loss other than loss for which this Member Guide provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this Member Guide provides periodic payment will be paid monthly,

and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

Physical Examinations

Blue Cross and Blue Shield of Montana, at its own expense, shall have the right and opportunity to examine the person of a Member when and as often as it may reasonably require during the pending of a claim and also the right and opportunity to make an autopsy in case of death when it is not prohibited by law.

Members Rights

Members have only those rights as specifically provided in this Member Guide. In addition, when requested by the insured or the insured's agent, Montana law requires Blue Cross and Blue Shield of Montana to provide a summary of a Member's coverage for a specific health care service or course of treatment when an actual charge or estimate of charges by a health care provider, surgical center, clinic or Hospital exceeds \$500.

Alternate Benefits

In all cases in which there is more than one Course of Treatment possible, the Benefit will be based upon the most efficient Course of Treatment, as determined by The Plan.

If the Member and Dentist or Physician decide on personalized restorations, or personalized complete or partial dentures and overdentures, or to employ specialized techniques for dental services rather than standard procedures, the Benefits provided will be limited to the Benefit for the standard procedures for Dental Services, as determined by The Plan.

Benefit Maximums

Once The Plan pays the maximum amount for a specific Benefit, no further payment will be made for that specific condition under any other provisions of this Member Guide.

Pilot Programs

The Plan reserves the right to develop and enter into pilot programs under which health care services not normally covered under this Member Guide will be paid. The existence of a pilot program does not guarantee any Member the right to participate in the pilot program or that the pilot program will be permanent.

Subrogation

1. To the extent that Benefits have been provided or paid under this Member Guide, The Plan may be entitled to subrogation against a judgment or recovery received by a Member from a third party found liable for a wrongful act or omission that caused the Injury requiring payment for Benefits.
2. The Member will take no action through settlement or otherwise which prejudices the rights and interest of The Plan under this Member Guide.
3. If the Member intends to institute an action for damages against a third party, the Member will give The Plan reasonable notice of intention to institute the action. Reasonable notice will include information reasonably calculated to inform The Plan of facts giving rise to the third party action and of the prospects for recovery.
4. The Member may request that The Plan pay a proportional share of the reasonable costs of the third-party action, including attorney fees. If The Plan elects not to participate in the cost of the action, The Plan waives 50 percent of its subrogation interest.
5. The right of subrogation may not be enforced until the Member has been completely compensated for the injuries.

Statements are Representations

All statements and descriptions in any application shall be considered representations and not warranties. Misrepresentations, omissions, concealment of facts and incorrect statements shall not prevent a recovery under the Member Guide unless:

1. Fraudulent;
2. Material either to the acceptance of the risk or to the hazard assumed by The Plan; or
3. The Plan in good faith would not have issued the Member Guide, would not have issued the Member Guide in as large an amount or at the same premium or rate or would not have provided coverage with respect to the hazard resulting in the loss if the true facts had been made known to The Plan as required either by the application for the Member Guide or otherwise. No statement made for the purpose of effecting coverage shall avoid such coverage or reduce Benefits unless contained in a written instrument signed by the Member, a copy of which has been furnished to such Member.

Right to Audit

The Plan reserves the right to audit the eligibility records to determine whether all students are eligible. The Plan further reserves the right to correspond directly with employees to obtain affidavits certifying such eligibility.

Independent Relationship

Participating Providers furnishing care to a Member do so as independent contractors with The Plan; however, the choice of a provider is solely the Member's. Under the laws of Montana, The Plan cannot be licensed to practice medicine or surgery and The Plan does not assume to do so. The relationship between a provider and a patient is personal, private, and confidential. The Plan is not responsible for the negligence, wrongful acts, or omissions of any providers, or provider's employees providing services, or Member receiving services. The Plan is not liable for services or facilities which are not available to a Member for any reason.

This paragraph shall not create any additional obligations whatsoever on the part of The Plan other than those obligations created under other provisions of the Contract.

BENEFIT PERIOD

For the Member Guide - Is the period of time shown in the Schedule of Benefits.

For the Member - Is the same as for the Member Guide except if the Member's Effective Date is after the Effective Date of the Member Guide, the Benefit Period begins on the Member's Effective Date and ends on the same date the Member Guide Benefit Period ends. Thus, the Member's Benefit Period may be less than 12 months.

COINSURANCE

The percentage of the Allowable Fee payable by the Member for covered Dental Services. The applicable Coinsurance for In-Network covered Dental Services and Out-of-Network covered Dental Services is stated in the Schedule of Benefits.

1. Dissatisfaction;
2. Disagreement;

COURSE OF TREATMENT

COVERED PROVIDER

A participating or nonparticipating provider which has been recognized by Blue Cross and Blue Shield of Montana as a provider of services for Benefits described in this Member Guide. A provider may, because of the limited scope of practice, be covered only for certain services provided. To determine if a provider is covered, The Plan looks to the nature of the services rendered, the extent of licensure and The Plan's recognition of the provider.

DEDUCTIBLE

The dollar amount each Member must pay for Dental Services incurred during the Benefit Period before The Plan will make payment for any Dental Services to which the Deductible applies. Only the Allowable Fee for Dental Services is applied to the Deductible. Thus, Member responsibility for Coinsurance, noncovered services, or amounts billed by nonparticipating providers, does not apply to the Deductible.

DENTAL PROVIDER

A Dental Provider may be participating or nonparticipating. A participating Dental Provider is a provider who has a contract with Blue Cross and Blue Shield of Montana. These providers agree to accept payment directly from Blue Cross and Blue Shield of Montana for covered dental benefits. This payment, together with the Member's Deductible and Coinsurance described in the Schedule of Benefits, is accepted as payment in full. The Member may obtain a list of participating Dental Providers from Blue Cross and Blue Shield of Montana upon request.

If a Member receives services from a nonparticipating Dental Provider, the Member is responsible for the balance of the nonparticipating provider's bill after payment by Blue Cross and Blue Shield of Montana.

DENTIST

EFFECTIVE DATE

1. has met the requirements of The Plan stated in this Member Guide; and
2. is shown on the records of The Plan to be eligible to receive Benefits.

For the Member Guide - the Effective Date of the Member Guide is the date shown on the face of this Member Guide

For any endorsement, rider, or amendment - the Effective Date is the date shown on the Member Guide unless otherwise shown on the endorsement, rider and amendment.

INCLUSIVE SERVICES/PROCEDURES

A portion of a service or procedure which is necessary for completion of the service or procedure or a service or procedure which is already described or considered to be part of another service or procedure.

MEDICALLY NECESSARY (OR MEDICAL NECESSITY)

A specific procedure or supply provided to you that is reasonably required, in the judgment of The Plan, for the treatment or management of the Member's specific dental symptom, injury, or condition and is the most efficient and economical procedure that can safely be provided to the Member. The fact that a Dentist or Physician may prescribe, order, recommend or approve a procedure does not make such a procedure Medically Necessary. To be Medically Necessary, the procedure or supply must also conform to approved and generally accepted standards of accepted dental practice prevailing in the state when and where the procedure or supply is ordered. Such procedures or supplies are also subject to review and analysis by dental consultants, retained by The Plan. These consultants review the claim and diagnostic materials submitted in support of the claim, and based upon their professional opinions, determine the necessity and propriety of treatment.
