

Blue Cross and Blue Shield of Montana (BCBSMT) Providers: Conversion/Non-Conversion

You recently received (or viewed on the BCBSMT provider portal) a communication entitled, '2014 Operational Updates for Montana Providers.' The communication contains some terms that should be clarified:

1. **Renewal**- beginning again or continuing policy coverage
2. **Conversion**- moving to a new processing platform and systems
3. **Non-conversion**- describes groups/individuals who have not yet moved to the new platform and systems

You can identify new members or members who have converted to the new processing platform if:

1. Their most current member ID card has a six- digit Group Number
2. The Member Identification Number begins with one of the following alpha-prefixes
