

BlueCross BlueShield of Montana

Using ICD-10 in Online Benefit Preauthorization Requests

Blue Cross and Blue Shield of Montana (BCBSMT) will be offering educational webinars in the upcoming months to demonstrate the differences you may encounter when using ICD-10 codes in iExchange[®], our online benefit preauthorization tool. Select a date from the list below to register now for an iExchange ICD-10 Enhancements webinar.

[June 10, 2015 – 10 to 11 a.m., MT](#)

[July 22, 2015 – 1 to 2 p.m., MT](#)

[Aug. 12, 2015 – 10 to 11 a.m., MT](#)

Please note that the fact that a guideline is available for any given treatment, or that a service has been preauthorized/pre-certified is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member's eligibility and the terms of the member's certificate of coverage applicable on the date services were rendered.
