Network Participation

Out of network providers must seek prior authorization for all services. The exceptions are for emergency services and services provided by I.H.S.

Notification Requirements

In cases of an emergency, notification is required within one business day of admission.

Medical Necessity

Medical necessity must be met for all services regardless if prior authorization is required. All services are subject to retrospective review and recoupment in accordance with State and Federal rules and regulations.

Inpatient Facility Admission Summary

All planned (elective) inpatient hospital care (surgical, non-surgical, behavioral health and/or substance abuse). Elective admissions must have prior authorization **before** the admission occurs.

All unplanned inpatient hospital care (surgical, non-surgical, behavioral health and/or substance abuse). Notification must be made within one business day of admission to the facility.

Admission to a skilled nursing facility, a long term acute care hospital (LTACH) or a rehabilitation facility.

All residential treatment program admissions.
